## 49th HAWKEYE DOWNS SALE SATURDAY, MARCH 11, 1967

**HAWKEYE DOWNS FAIRGROUNDS - CEDAR RAPIDS, IA.**

SHOW: 8:30 A. M. — SALE: 11:45 A. M. SHARP

### OFFERING

### 50 BULLS - 31 Shorthorn and 19 Polled Shorthorn

All of 1965 except one January 1966. Bulls of the finest breeding and sired by some of the best sires in the land. Bulls with scale, correct conformation, bone and quality from the leading herds in the area. We have reason to believe that this is the strongest offering in this series of sales.

### 62 FEMALES - 40 Shorthorns and 22 Polled Shorthorns

Richly bred and foundation quality. 8 mature cows, 8 two-year-olds, 14 head of 1965 and 32 head of 1966 Club heifers. 16 bred, 7 with calves at side and some rebred. 39 open heifers. Please study the pedigrees.

### A Golden Opportunity For Single Lot or Truck Load Buyers of Bulls and Females.

Possibly the HAWKEYE DOWNS SALES are unique in many ways:

No formal organization, no membership fees, no premium money, just ribbons. Consignors pay for premiums for Champion Club Steer and Champion Club Heifer at ALL IOWA FAIR at HAWKEYE DOWNS, pay picnic costs of HAWKEYE DOWNS Picnic and the attendance prize at HAWKEYE DOWNS sales. We ask our consignors for suggestions to improve our sales. We have learned that we can sell more cattle to advantage in a large joint sale than in two smaller sales. Last fall, right at 400 people were in attendance, when we sold 89 lots of breeding cattle and 54 steer calves. We learned to have sales on Saturdays so that boys and girls interested in Shorthorns and Polled Shorthorns may attend. On reserve bids, see paragraph 5 on page 2.

This year we are trying an experiment on bull entries. We put a limit of 2 bulls per consignor. On the deadline date for entries, December 28th, we notified every consignor of the prospective consignors and their entries of bulls and females. They had the privilege of withdrawing entries until the catalog went to press. Only one bull was withdrawn. Our 35 consignors have faith that the beef cattle business will continue good and improve and that their cattle will be in demand in this sale.

HAWKEYE DOWNS has earned the reputation of being one of the very leading District sales in the United States. It is a good place to buy real good Shorthorns and Polled Shorthorns. We hope to meet you March 11. REMEMBER! September 9, 1967 for a Polled sale and September 16th a Shorthorn sale.

**DINNER MEETING:** At 6:30 P. M., March 10th at the Terrace Room of Cedar Rapids Municipal Airport Restaurant located about 2 miles south of Hawkeye Downs on U. S. 218 and then about a mile west. Meals served a la carte. Business meeting later on lower floor. Plenty of parking spaces.

**ATTENDANCE PRIZE:** \$25 in cash will be given away immediately after the sale. Be sure to get your name and address upon only one card for the drawing.

**EARL S. GIRTON, Sale Manager**

Livestock insurance may be obtained in the American Livestock Ins. Co. Harding and Harding - through the sale manager, Earl S. Girton.

**Please Bring This Catalog To The Sale With You.**

## *General Information*

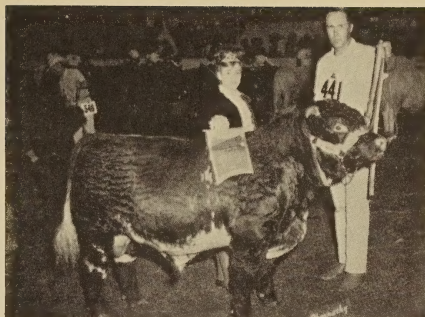

TIME: Saturday, March 11, 1967. Show at 8:30 A.M., Sale at 11:45 A.M., SHARP.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. On paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense, but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneer: J.E. Halsey, Des Moines.
10. Special Representatives: Dwayne Dietz of the Shorthorn World, Tom Sherlock, Wallaces Farmer; Roy Wagener, Bellevue; Ted Aegerter, American Shorthorn Association; Wayne Farnum, Victor.
11. Settling Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa. Recording Clerk: Lewis L. Howard, Mutual Benefit Farm Loans.
12. Sale Manager: Earl S. Girtton, Box 732, Marshalltown, Iowa. Phone: 753-3693. Wayne Farnum will handle the health charts.
13. The sale manager or others may be reached by phone listed as Hawkeye Downs, 6th St., No. Empire 3-4341.

ROGER APPLGATE, Oakland, Iowa, with his home-bred Grand Champion Bull at the 1966 Iowa State Fair. He is a leading younger breeder of Shorthorns and will judge our pre-sale show.

WILLOWBROOK FANTASY LAD - By Northwood Pioneer Crown, the \$9,200 top selling bull in the first Northwood sale by Bapton Pioneer. Lad and his dam were the first pair I picked at Fernwood when I started my herd. He is a bull that has good bone, the length and depth of body. I have used him on three cows, and he settled all three on the first service.

K A JUGGERNAUT - No doubt as heavy a boned bull as we've ever produced. This combination of Allwood Pioneer and Rothney Justinian has been really nicking. The \$1175 K A Jolly Tar that sold in the recent Ak-Sar-Ben National Sale was from this cross. They are very masculine and extremely meaty cattle.

GLENOKE SECURITY - A grandson of Westmere Outlook, the 1962 Wisconsin Futurity Reserve Supreme Champion. Security's dam was in our show string 3 years and was Grand Champion 9 times, Reserve Champion 4 times, and only stood 2nd in class twice and both heifers that beat her she had defeated before in some other show.

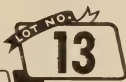

**BAPTON GUARDSMAN** is the Senior Herd Sire in the Fernwood Herd. The late Otto Grosse paid \$25,000 to the famous Bapton owners for him. Last March another bull also sired by the \$22,500. Glastullich Garrison was Grand Champion at our Hawkeye Downs Sale. A son of Guardsman was top selling bull at the recent Aksarben Sale at \$2350. Another son of Guardsman was grand champion at the recent American Royal. Here is an opportunity to acquire a son right here at home.

**FERNWOOD JOURNEYMAN** - By Bapton Guardsman, who is senior herd sire for Fernwood Farm. Journeyman and his dam are another pair I picked out to start my herd. Brookside Lena Pauline is by Scotsdale Medallion, the 1958 International Reserve Grand Champion. Journeyman is a bull that has the size and quality that should make a ton bull at maturity. If breeding means anything--Bapton Guardsman, Glastullich Garrison, Bapton Balmoral, Kirkton Hercules, Scotsdale Medallion, Calrossie Prefect, a Perth Grand Champion, and Calrossie Constellation - the potential for a breeding bull should be very great here.

HICKORIES BONUS - Traces to great breeding bulls, namely Louada Cornerstone, Bapton Constructor, Louada Fearless and others.

The most significant factor in the success or failure of any livestock breeding program is the sire. This is true whether the "head man" is raised or purchased. His ability to reproduce his kind consistently at the levels of quality and performance anticipated represents the keynote foundation to the financial solvency or bankruptcy of the firm involved.

REMEMBER Shorthorns come with or without horns, whichever suits your taste. Though they differ slightly in "name" and "horn content" the breed remains the same—SHORTHORNS, possessing that same profit-ability responsible for American beef improvement since 1783.

AND Shorthorns come in a variety of colors, too! Solid reds (always with just a touch of white)...solid whites...a blend of the two called roan.

JUSTINIAN NONPAREIL - This Justinian cow will be safe in calf to Allwood Renown, whose calves are really looking good. We sold his first daughter for \$900 and one of his first bulls we sold brought \$1200. She was pasture bred.

LEWISFIELD RIVAL is the young bull that Kadel Urice selected as Junior Herd Bull in the Lewisfield Sale for \$3150. He is a son of Shirgarton Ranger, a bull that was Grand Champion at the American Royal a few years ago and who sired an international grand champion bull and a reserve grand champion female. Harris Simons reports in the Shorthorn World: "Rival is undoubtedly one of the thickest bulls ever presented. Even more important he is probably the trimmest bull we have ever seen, even in good rig. Smooth as an apple, no excess fat". Lot 37 carries his service.

# Cross Breeding Possibilities

January 19, 1966

Dear Mr. Girton:

This is in reply to yours of January 12. This will constitute permission to quote me directly as follows:

"There is a potential for producing 20% more beef with little or no increase in numbers of cattle in Iowa through the use of crossbreeding. This increase through heterosis or crossbred vigor is due to increased fertility, increased survival rates, and increased weights of calves resulting from crossbreeding and a planned breeding program.

"Do not crossbreed to cover up poor management. Do not crossbreed unless you are going to use performance bred bulls and evaluate your program through performance testing. Crossbreeding for the sake of crossbreeding in a systematic and evaluated manner can be most useful."

Very best wishes with the sale.

Sincerely yours,

*Robert C. deBaca*

Champion Shorthorn Steer in both the Junior and Open Show at 1966 International was shown by Benny Powell, Ryan, Iowa in Hawkeye Downs Area.

**FOR YOUNG PEOPLE, Shorthorn cattle and Shorthorn breeders prove great partners. The breed is easy to handle and quick to respond to the kind of care and affection most young folks lavish on their animals. Reds, whites and roans never fail to attract widespread attention in the show ring, time and again garnering championship purples and other high places - in both live and carcass competition. Shorthorn people are widely known for their warmth and understanding, quickly taking young folks under their wings, assisting them in every imaginable way.**
